

Certificate

Abigail Bernard

has successfully completed
HeartCode® BLS Online Portion

Hands-on skills practice and testing, either conducted by an authorized AHA BLS Instructor or using a voice-assisted manikin system, is required to receive a Basic Life Support Provider course completion card.

For greater success, it is recommended the hands-on skills session be conducted shortly after completing the online portion. Please take this certificate with you to your hands-on skills session.

*This certificate does not constitute successful completion of the full
Basic Life Support Provider Course.*
